

2N® Helios IP: Picture to e-mail

Would you like to have overview of all visitors when not being in your home or in your office? Then we have the solution for you. We have developed a function called "Picture to e-mail", which automatically sends you an e-mail about every unsuccessful call made from a [2N® Helios IP](#). E-mails contain a series of pictures, so you will see every time who was trying to reach you.
