

Bulk Download

Learn how to bulk download files from the 2N Media Library using the file explorer of your desktop operating system.

Map a Network Drive

Just create a shortcut to the 2N Media Library in your file explorer by mapping a network drive.

Detailed Guide: Windows, Mac OS X

STEP
01

STEP
02

Login Credentials

You can log in using the login credentials, e-mail and password, you use to access the 2N Media Library web interface.

STEP
03

Accessing Files

Access the files you need, just like you would in any other folder on your local hard drive.

STEP
04

Copy Files

Choose all files you need, click the right button of your mouse and select "Copy" (Ctrl+C).

STEP
05

Paste Files

Go to the folder where you would like to paste the files or a folder, click the right button of your mouse and select "Paste" (Ctrl+V).
